

REPRESENT THE FUTURE OF PROFESSIONAL PERSONAL VEHICLES

Why Join the TRIKKE Sales Team?

TRIKKE is redefining professional mobility with high-performance electric vehicles trusted by law enforcement, security, EMS, and facility operations nationwide. As an independent sales representative, you'll be part of a fast-growing movement—bringing unmatched agility, comfort, and reliability to clients who need it most.

What's in it for you:

- Earn 15% commission on direct accounts, plus scalable bonuses for fleet orders
- Demo vehicle program to accelerate your sales
- Exclusive territories and verticals tailored to your expertise
- Recurring revenue from reorders and long-term fleet expansion
- Full marketing and technical support—you're never selling alone

The Product Line: Defender & Positron

Our flagship models are engineered for heavy-duty, all-day use in demanding environments:

- Electric, silent, and emission-free
- Swappable batteries for continuous operation
- All-wheel drive, hydraulic brakes, full suspension
- Carries up to 350 lbs., climbs hills with ease
- Customizable with lights, sirens, cargo, and branding

Whether patrolling city streets, navigating campuses, or supporting emergency response, TRIKKE vehicles outperform bikes, scooters, and golf carts in every category that matters.

Built on 20+ Years of Innovation

TRIKKE Tech has been designing and manufacturing cambering vehicles in the U.S. for over two decades. Our recent focus on B2B applications has led to breakthrough adoption in:

- Police departments and sheriff offices
- Hospitals and universities
- Airports, casinos, malls, and transit hubs
- Military, EMS, and city services

Reorders are common. Satisfaction is high. And the market is expanding.

Competitive Advantage

TRIKKE stands alone in its category. Unlike Segway PT, T3 Motion, or electric bikes, our vehicles offer:

- Superior ergonomics and stability
- Better indoor/outdoor versatility
- Lower maintenance and longer lifespan
- More intuitive operation for first-time users

Pricing is competitive across tiers, and our fleet-focused model ensures long-term client engagement.
