

ENHANCING SECURITY MOBILITY

The TRIKKE DEFENDER Electric Patrol Vehicle

**SMARTER, RELIABLE
MORE VISIBLE**

**DEFENDER
SECURITY**

THE CHALLENGE

- Large areas, limited staffing
- Foot patrol fatigue
- High demand for visible security

THE SOLUTION

- Agile patrols, easy to operate
- Zero emissions
- High visibility deterrent

IDEAL FOR

- Corporate Campuses
- Malls, Resorts, Casinos & Airports
- Theme parks, Zoos, Tourist destinations
- Universities, Hospitals & Venues

Why Private Security Teams Choose the TRIKKE DEFENDER?

- Expand coverage and response without increasing personnel
- Move faster across large properties
- Reduce incident response times
- Lower officer fatigue compared to foot patrols
- Maintain a highly visible, approachable security presence
- Achieve significant operational cost savings versus vehicles and carts
- Clean and quiet mobility in crowded environments
