

RAPID POLICE PATROL & RESPONSE

The TRIKKE POSITRON Electric Patrol Vehicle

SMARTER. RELIABLE.
TACTICAL.

POSITRON

POLICE SPEC

Bridging the gap between foot patrol and squad cars for enhanced patrol, crowd management, and positive community interaction.

OPERATIONAL ADVANTAGES

- Rapid response in dense urban areas
- Silent approach for tactical awareness
- Zero-emissions electric operation
- Highly maneuverable in crowds and narrow spaces
- Lower operating costs than other vehicles

COMMUNITY ENGAGEMENT BENEFITS

- Increase officer visibility and approachability
- Encourages positive, face-to-face community interaction
- Ideal for community policing and outreach patrols
- Helps officers engage without vehicle barriers

ELEVATE YOUR PATROL EMPOWER YOUR OFFICERS

Trusted by departments nationwide, it's the ideal solution for patrolling indoors and outdoors – on campuses, city streets, airports, industrial parks, and public events.
